Great live coverage of the race weekends

Gear donation has been received - looking to create a give-away promo and find a women racer who can benefit from this wonderful gift from Gary Mathies. It includes a full set of apparel including Hans Device, suit, underwear, socks, shoes & gloves. Big thank you to Pam Stec who made this happen.

WIM is looking forward to boots on the ground as we are making up a list of car shows to attend this year, with our small group we realize we will need to tag team with other clubs, organizations etc. We will continue to hand out Hero cards, schedules and pass's that SCCBC has given us to increase awareness and hopefully attendance at Motorsport events.

Looking forward to being a part of the Vintage Weekend in August.
