Director at Large Report

Greg: Absent, no report sent.

CACC Vintage Discipline

John Elliott: Absent.

Aaron Robins: Nothing new. The July meeting was cancelled. The in-car camera requirement does not apply to Vintage permit events such as the BCHMR. It does apply to Race permit events such as REVS races during SCCBC events. 2010 Helmets are out.

SCCBC Update

Aaron Robins: Membership is down by about 50 this season. Race entries are also low, 67 at CACC#2. Turn 2 bleachers are now repaired. Hopefully the front straight ones will be done in time for the BCHMR.

META Update

Mike Bailey: META members are looking forward to the BCHMR weekend.

BCHMR

Gayle Baird: Asked if there were any questions regarding the planning.

Tech stickers were discussed and “commemorative dash stickers” that Greg Cavouras had suggested were also discussed. Mike will look into getting these done.

Suggested we get St. John Ambulance staff to attend our event to look after the spectators in case of incidents.

Mock Le Mans start was discussed by Dennis Repel and it was decided to ask the steward if we could use it for both the Sprite-Midget race and the Spec Miata Challenge race.

The potential impact and benefits of the BCCCA car show to be held on the Saturday was discussed at length. Aaron will talk with Kevin Ness.

W.I.M.

Gayle reported she is making raffle tickets for the W.I.M. ladies to sell at their booth at the BCHMR, where they will sell t-shirts and other goods for us. At the last W.I.M. meeting, it was decided that they would order a tent and tablecloth similar to the ones that SCCBC has just bought to give a more professional presence. It will cost about \$1,000. Gayle suggested that VRCBC might want to look at doing the same.
